MEMORANDUM FOR THE CHAIRMAN, DCI SECURITY COMMITTEE

SUBJECT: Study of Harassments and Provocations

Reference: SECOM-D-021 Memorandum, dated 13 January 1982, SAB.

Subject study has been reviewed and approved by DIA. One suggested administrative change is the need for a paragraph/security classification on the sixth line from the bottom of the Introduction page. It might also be helpful to insert a chart on page 2 depicting the organization of the Second Chief Directorate (SCD). The chart could possibly be used to replace some of the verbiage regarding the SCD organization.
